

Kowsar Medical Co

Incorporated in the year **2004** at **Shiraz (Fars, Iran)**, we “ **Kowsar Medical Ltd.**” are renowned as the distinguished **manufacturer** and **exporter** of a complete assortment of **trauma, spine, neuro and cranio- maxillofacial**, etc. The offered assortment is done by our skilled team of professionals in compliance with the international quality standards using the finest grade raw material and sophisticated technology. Due to our advanced machines used in the manufacturing process. Apart from this, our offered products are highly appreciated by clients for their elevated durability, dimensional accuracy, optimum finish, minimum maintenance, hassle free functionality and robust construction. The offered range is available in various sizes, patterns, designs and dimensions as per the variegated requirements of our prestigious clients.

We have established a vast infrastructural support that is equipped with all the latest machinery and tools, which are used in the production process to offer only the finest quality range of products. This unit is segmented into various facilities like manufacturing, quality testing, sales and marketing, etc. for proper production and storage. As per the ever-changing demands of the market, our huge infrastructure ensures us to undertake bulk orders of the clients and deliver them within the stipulated time schedule. Backed by a team of professionals, we are able to manufacture superior quality and innovatively designed products. We have employed highly experienced professionals. Our experts prefer to work in close-harmony with the customers in order to conceptualize their specific demands. In addition to this, our team has rich expertise to handle all the installed machines and tools. Also, we frequently conduct various training sessions and learning programs for our team members to keep them attentive from the latest industrial developments. Being a quality driven company, quality is measured as the major objective of our firm. We have chosen a highly experienced team of quality controllers in our huge company. For the faultless and the best products, our quality controllers strictly monitor them on various parameters to ensure their flawlessness as per with the international standards. We are committed for building the sound and mutually beneficial relationships with our impressive clients because we are a customer conscious firm. Moreover, we have earned a lot of appreciation from the clients because of our high-quality products. We continuously strive hard to offer maximum satisfaction to our valuable clients through various policies like effective pricing, wide distribution network, client-centric approach, timely delivery and crystal clear dealings.

Under the supervision of “**Mr. Mohammadi (CEO) & Mrs. Sardashti (Marketing & Sales)**”, we have been able to meet the exact requirements of clients in the most successful manner. Their vast domain expertise and client centric approach has helped us to earn the grand success in this industry.
